

BUSINESS & EMS TEACHER

From January 2011

Woodlands International College is a progressive, Co-Educational, Independent, non-denominational College based on Christian values. It is situated on a pristine wetland on the northern boundary of Boksburg. This peaceful location, with its spacious grounds, provides the ideal environment for an educational institution of this nature.

We need to appoint a full-time BUSINESS & EMS Teacher.

The emphasis of this position is on the Grade 10, 11 & 12 Business Studies with a small percentage of Grade 8 & 9 EMS teaching.

If you are a dynamic person with a passion for inspiring students to believe in themselves as the future entrepreneurs and Business Directors of South Africa, then you are the person we are looking for. Your positive outlook, your open mind and approachability will be key aspects for this position. It will be to your advantage if you are Computer Literate and able to add value to the Extra-Curricular aspects of the College life.
