

A Leading Edge Campus

WELCOME
2019

“At the end of your lives you will not be judged by academic successes, the degrees or diplomas earned, the positions held, the material wealth acquired, or power and prestige, but rather on the basis of what you have become as persons and what you are in conduct and character.”
(Howard W. Hunter)

Welcome to Woodlands International College.

In January 2002 Woodlands International College, an initiative of the Ronnie Matthews Family, opened its doors to 84 children with an undertaking to raise the bar in private education. Building on each new success, and promise met, we have forged a proud and distinctive legacy, setting the benchmark for excellence in all academic disciplines through an innovative, challenging and closely considered curriculum. Tempered with a comprehensive sports timetable, and the opportunity to express creativity in enriching arts and culture activities, we know what it takes to nurture character.

As a co-educational, non-denominational College our safe and secure environment encourages complete religious freedom whilst fostering mutual respect, harmonious coexistence and sound, traditional values.

At Woodlands it is the coordinated teamwork of our well regarded, highly qualified and carefully chosen educators that helps to unlock and grow the potential of each and every child. We are steadfastly committed to maintaining small classes to enhance and expand the learning capabilities of each individual student, and offer a broad curriculum covering all key learning areas.

We are particularly proud of having achieved – since inception - a 100% Matriculation pass rate with the distinctive accolade of 92% of our Grade 12 students attaining a Bachelor Degree pass for the past five years. Woodlands has produced graduates in such diverse disciplines as Actuarial Science, Aviation, Engineering, Law, Medicine, Optometry, and Veterinary Science. Ever mindful of the shrinking globe, Woodlands strives to prepare its students to take up tertiary studies abroad, should they aspire to do so, and our alumni have progressed to, amongst others, such distinguished institutions as Oxford. Our track record speaks volumes about our success in this strategic approach to education and underscores Woodlands’ “International” appellation.

Set along the banks of our own magnificent wetland, we provide a secure and natural environment conducive to learning. Woodlands places great emphasis on respect for the environment, sustainability and appreciation of nature. Our Pre-Primary Campus is totally “off the grid”, with all electrical power sourced from natural, renewable energy.

At Woodlands we believe in engendering self-discipline and instilling mutual respect, whilst preparing our students for the challenges and opportunities that lie ahead. Importantly, children look forward to coming here – it’s a place where lifelong friendships are formed, and personal, unique value systems encouraged. At Woodlands our talented young ambassadors stand firmly and confidently poised on the cusp of life, admirably equipped to acquit themselves honourably in whichever field of endeavour they choose to pursue.
